

## **VT 14 E Montpelier Bridge Project Construction Update – next 2 weeks – Nov 19 - 30**

With the temporary bridge removed, contractor CCS Constructors, Inc. will concentrate on removing the north (US 2 side) bridge abutment built to support the temporary bridge as well as lining the banks of Winooski River with stone as part of the site restoration effort.

This work will be done over the next two weeks, with the first week a short one due to the Thanksgiving holiday.

Please watch out for flaggers and **EXERCISE CAUTION WHILE TRAVELING THROUGH THE WORK ZONE.**

Motorists are advised that the speed limit is 25 m.p.h. and speeding through a construction zone can lead to increased fines.

**It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a construction zone.**

More information on the project is available on the project website, [www.vt14emontpelier.vtransprojects.vermont.gov](http://www.vt14emontpelier.vtransprojects.vermont.gov). People who would like to receive weekly construction updates should contact the project's community liaison, Jill Barrett, by telephone 802-272-1248 or by email, [jbarrett@fhiplan.com](mailto:jbarrett@fhiplan.com).
