

## **VT 14 E Montpelier Bridge Project Construction Update – week of Dec 10-14**

Next week contractor CCS Constructors, Inc. will continue to stabilize the slopes of the Winooski River at the new VT 14 bridge in E Montpelier Village. The contractor expects to complete the slope work on northeast corner of the bridge and do slope work on the southeast corner. Some site cleanup work may also occur next week.

There will be brief, intermittent traffic delay as trucks enter and exit the work site. Please watch out for flaggers and **EXERCISE CAUTION WHILE TRAVELING THROUGH THE WORK ZONE.**

Motorists are advised that the speed limit is 25 m.p.h. and speeding through a construction zone can lead to increased fines.

**It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a construction zone.**

More information on the project is available on the project website, [www.vt14emontpelier.vtransprojects.vermont.gov](http://www.vt14emontpelier.vtransprojects.vermont.gov). People who would like to receive weekly construction updates should contact the project's community liaison, Jill Barrett, by telephone 802-272-1248 or by email, [jbarrett@fhiplan.com](mailto:jbarrett@fhiplan.com).
