

## **VT 14 E Montpelier Bridge Project Construction Update week of August 27-31**

The VT 14 temporary bridge is OPEN to traffic. No more road closures are planned.

Next week (Aug 27-31) the contractor will continue constructing the bridge deck. Work activity will include:

- Post-tensioning of the concrete deck panels
- Grouting the precast deck panels
- Pouring concrete at the ends of the deck
- Begin removing about 200 feet of concrete slab under VT 14 (this section of road is currently closed to traffic as it's mostly within the construction work area)

Motorists should expect brief, intermittent interruptions as trucks enter and exit the work site to deliver materials and equipment.

Please watch out for flaggers and **EXERCISE CAUTION WHILE TRAVELING THROUGH THE WORK ZONE.**

Motorists are advised that the speed limit is 25 m.p.h. and speeding through a construction zone can lead to increased fines.

**It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.**

More information on the project is available on the project website, [www.vt14emontpelier.vtransprojects.vermont.gov](http://www.vt14emontpelier.vtransprojects.vermont.gov). People who would like to receive weekly construction updates should contact the project's Public Outreach Coordinator, Jill Barrett, by telephone 802-272-1248 or by email, [jbarrett@fhiplan.com](mailto:jbarrett@fhiplan.com).
