

VT 14 E Montpelier Bridge Project Construction Update week of September 10-14

The VT 14 temporary bridge is OPEN to traffic. No more road closures are planned.

Next week (Sept 10-14) the contractor will continue constructing the bridge, concentrating on building the abutments.

Traffic impacts:

- Motorists on US Route 2 and VT Route 14 should expect brief, intermittent interruptions as concrete trucks enter and exit the work area.

Please watch out for flaggers and **EXERCISE CAUTION WHILE TRAVELING THROUGH THE WORK ZONE.**

Motorists are advised that the speed limit is 25 m.p.h. and speeding through a construction zone can lead to increased fines.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a construction zone.

More information on the project is available on the project website, www.vt14emontpelier.vtransprojects.vermont.gov. People who would like to receive weekly construction updates should contact the project's Public Outreach Coordinator, Jill Barrett, by telephone 802-272-1248 or by email, jbarrett@fhiplan.com.

Best regards,

Jill
